PAPER

Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

Advisory Action

This office action is in response to Applicant's amendment and response after FINAL filed on January 12, 2009.

Applicant's proposed amendment filed January 12, 2009 is sufficient to overcome the rejection of claim 7 under 35 USC 112, second paragraph, for indefiniteness.

The rejection of claims 1-5, 7, 10, and 17 (as amended now) under 35 USC 103(a) as being unpatentable over Reuscher et al. is maintained for reasons of record. Applicant's arguments are substantially the same as those addressed previously. The claims as amended after final are still rejected over the prior art of record. The amendment has not overcome the prior art of record.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to LAYLA BLAND whose telephone number is (571)272-9572. The examiner can normally be reached on Monday - Friday, 7:00 - 3:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Anna Jiang can be reached on (571) 272-0627. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
